

## **Harrison Township Water Authority is Hiring**

Harrison Township Water Authority is seeking individuals for Temporary Employment in our Transmission and Distribution Department.

### **Job Description**

Working alongside our Transmission and Distribution Crew doing installation and maintenance within the water system to include:

1. Installation of new water mains and services.
2. Emergency repair to existing water mains and services.
3. Restoration activities in areas of previous repairs including:
  - a. Asphalt patching and replacement
  - b. Concrete forming and replacement
  - c. Replacing top soil and grass seed in non-paved areas
  - d. Temporary cold patching until permanent restoration can be made
4. General system maintenance including:
  - a. Valve and Curb box cleaning.
  - b. Valve exercising.
5. Use of hand tools such as shovels, picks, and brooms in the course of duties.
6. Operation of Authority vehicles.

### **Hours of Work**

Monday-Friday from 8:00 AM – 4:30 PM (7:00 AM – 3:30 PM between Memorial Day and Labor Day).

### **Working Conditions**

Work is generally outdoors and may involve lifting 75 lbs., bending, and stretching in all weather conditions.

### **Qualifications**

Applicants must be 18 years of age or older.

Applicants must possess a valid PA Driver's License prior to employment.

Applications can be picked up and/or dropped off at the Harrison Township Water Authority Office at 1705 Rear Freeport Road, Natrona Heights, PA 15065 between the hours of 8:00 AM and 4:30 PM Monday-Friday.
